Responsible and motivated student ready to apply education in the workplace. Offers excellent technical abilities with software and applications, ability to handle challenging work, and excellent time management skills. Recent graduate with excellent research, technical and problem-solving skills. Detail-oriented and able to learn new concepts quickly.

## Education And Training

*Expected in 07/2025*

**Master Of Computer Applications:**

**JECRC University**

Jaipur

*06/2023*

**Bachelor Of Computer Applications:**

**Kanoria P.G. Mahila Mahavidyalaya(jaipur) Rajasthan**

Jaipur

## Experience

**Karma Guardians - Intern**

*Jaipur, IN*

*02/2024 - 03/2024*

- Created content for website pages, blog posts, and other online platforms.
- Optimized web page performance by identifying and fixing various issues such as memory leaks and rendering problems.
- Collaborated with back-end developers to integrate user-facing elements with server side logic.

## Project

• **Graphic Design**

In this project, I developed a dynamic image gallery website using PHP. The website allows users to upload, organize, and display images in an aesthetically pleasing manner. Here are the key features:

1. User Authentication
2. Image Upload and Management
3. Responsive Design
4. Search and Filtering
